Colonial PA Plantation 2024 Winter Masquerade Fundraiser
Program Advertisement

On Saturday evening, January 27, 2024, the Colonial Pennsylvania Plantation will hold a Winter Masquerade. Colonial Plantation is an 18th century living history farm located in Ridley Creek State Park. In 2024, the farm will be celebrating 48 years as a member of the historic, cultural, and educational community of the Delaware Valley.

We are a non-profit organization supported through educational programming for schools and libraries, summer camp, outreach, weekend admissions, memberships and donations, and special events such as this one. Proceeds from the Winter Masquerade are used to support our historic farm operations, the care of our heritage breed animals, and our education programs.

Last year, almost 10,000 visitors came to the Plantation; of those, over 6,000 took part in weekday education programs and summer camp. Our weekend programming includes special events such as Sheep Shearing, Fourth of July celebration, and Colonial Christmas. Throughout the year, our staff and volunteers promote the skills and crafts of Colonial America through hands-on programming onsite on weekends, outreaches in the community, and historic skills workshops open to the public. We offer a library membership program to encourage local visitation and are a Museums for All and Blue Star Museum that allows a wide range of community members the opportunity to share in what we do.

The support of individuals and businesses is critical to making the Winter Masquerade a financial success! Please consider supporting us and our mission with an advertisement in our program booklet.

Thank you,
Chuck Barr
Board President
